To The  
President of the ESPEN Congress,

I am glad to learn that the 28th European Clinical Nutrition and Metabolism Congress(28th ESPEN Congress) is going to be held on 19-22 October in Istanbul Lutfi Kirdar Congress Centre.

I cordially believe that the beauty of this city, along with the historical background, comfortable accomodation and social facilities will make this meeting a unique adventure for you.

As the Governor of this city, we have given our support to the international events and again we will sincerely do our best to ensure the safety of the congress venue and the success of the meeting.

Lets meet where the continents meet.

Sincerely Yours,

*Muammer Güler*
